

MEMORANDUM

RE: Application No. 10/598,793; Confirmation No. 1475

Please be advised that the above-referenced matter was filed via EFS today. Upon downloading the Image File Wrapper, it was noticed that the Preliminary Amendment and Fee Transmittal Form were not signed. Once this was realized, signed copies of the Preliminary Amendment and Fee Transmittal were attached as add-on's to the above application number. Further to the Patent Electronic Business Center's instructions, kindly ignore the Preliminary Amendment and Fee Transmittal Form that was not signed and substitute the forms that are signed.

We apologize for any confusion this may have caused.
